

PTS-PKW-001

Box Taper VD Entry-Level (Semi-Auto)

-  Lift Productivity
-  New Taping Head Prevents Bending
-  1 Year Warranty

About this product:

High quality carton sealing machine with new taping head, which incorporates a patented V shaped plate designed to keep tape straight and in position for consistent sealing of every carton.

Features & Benefits:

- Uniform Box Sizes
- Powder-coated
- Drive belts on both sides of tape act as compression rollers
- Adjustable height legs
- Adjustable tape leg length
- Easy to adjust for different box sizes
- Height is adjustable by precision aluminium guides in each pillar
- Some Assembly Required
- Top and Bottom sealing
- New taping head uses an impress plate to apply tape
- Flexible cushion top unit avoids box from jamming
- Castors with brake
- Width adjustment by two size guides

Specifications:

Code	PTS-PKW-001
