

Pallet Turntable (Easiwrap)

Turntable Pallet Wrapper

- ✓ Made in New Zealand
- ✓ Fast and Safe Manual Pallet Wrapping
- ✓ 1 Year Warranty

About this product:

The Astrolift Easiwrap pallet wrapper is the economical solution to the drudgery of shrink wrapping pallets. The turntable is 300mm above ground level making securing the wrap around the pallet an easy task. The foot pedal then activates the electric drive rotating the table at 9-10RPM, quickly and tightly wrapping the pallet while the operator stays in one place. The operator manually dispenses the film while the load rotates on the turntable.

Features & Benefits:

- Powder-coated
- Fork pockets for easy pick-up and shift
- Manufactured in NZ by Astrolift
- Heavy duty construction
- Simple foot pedal operation
